new york.—there is many interesting things in a cop's life. even the bull that drives the prison hack to blackwell's island picks up a good storey onct in a while

this guy was a dip that got nabbed in a subway train with his fin in a old gentleman's pocket, and the cop was just goin to tell him to shut up when another prisoner asked him what was the matter.

this uther feller was going up the river to do 6 months for biggemy, and he give the guy with the weeps the merry ha ha. and he says
